The end-to-end
sales tax solution
that helps you
increase productivity
and reduce audit risk

Tax & Accounting

CCH® SureTax®

We know sales tax is challenging. That's why there's CCH SureTax.

With over 100 years of tax experience, Wolters Kluwer knows how to help businesses comply with tax requirements.

Not every business is the same. When you're looking for sales tax software that does more to meet the needs of your particular business, look to the CCH SureTax platform.

The CCH SureTax platform applies our tax knowledge to help reduce the total cost of compliance.

The CCH SureTax platform helps to keep you productive with an end-to-end solution that seamlessly calculates tax, tracks exemption certificates, and manages your filings while providing the information and alerts that you need to control your processes.

Within CCH SureTax, we use our experience to go beyond the basics. We know the questions that need to be asked and the decisions that need to be made to make your sales tax implementation a success. Our in-house tax research covers demanding industries and complex tax calculations, filling the gaps to help ensure that your taxes are calculated properly across 13,000 plus jurisdictions across the U.S. and Canada. Plus, CCH SureTax continuously prepares you for audits by tracking and maintaining the detail for defense of each tax calculation.

With an end-to-end sales tax solution that fits your business, CCH SureTax helps you to avoid the errors and disruptions that can consume your resources and generate needless compliance expense.

CCH SureTax provides everything you need from calculation to compliance.

Meet your sales tax obligations with accuracy and efficiency. With the CCH SureTax platform of sales tax solutions, you've never been more prepared.

Designed to Keep You Productive

The CCH SureTax platform provides efficient, end-to-end sales tax automation that won't disrupt your operation.

- Data flows seamlessly from your transactions between platform modules removing the effort of the data import and exporting process.
- Process automation allows for set-it-and-forget-it functionality.
- Cloud deployment eliminates ongoing maintenance.

Built for Results

CCH SureTax provides the calculations needed for demanding business situations.

- Highly granular sales tax research content is specialized by industry.
- In-house tax researchers ensure content accuracy.
- On-call experts deliver the domain expertise needed for compliance.
- Customizable to meet the needs of your specific organization.

Preparing You for Audit Defense

Built from the ground up for audit defense, CCH SureTax platform helps reduce the total cost of compliance by:

- Tax calculation detail for every transaction allows calculations to be re-created and defended at audit.
- Configurable design supports complicated scenarios and tax requirements.
- Backed by Wolters Kluwer, a trusted source of tax research data.

CCH SureTax Modules

With six modules and a single intuitive user interface, the CCH SureTax platform offers a complete sales tax solution that automates tax filing.

CCH® SureTax® Integration

Send transactional and tax data to and from your ERP or commerce platform seamlessly

CCH® SureTax® Calc

Calculate the tax consequences of transactions in real-time using the maintenance-free tax calculation engine built for audit defense.

CCH® SureTax® ECM

Manage and maintain your tax exemption certificate library while automating the collection and seamless application of certificates.

CCH® SureTax® Rates & Rules

Determine tax rates, rules, and jurisdictional boundaries using sales tax research data from Wolters Kluwer.

CCH® SureTax® Returns

Meet sales tax compliance obligations efficiently and accurately according to your calendar.

CCH® SureTax® View

Manage your sales tax compliance process by organizing data and producing interactive reports.

Expertise Across Industries

Every industry faces unique challenges — including sales and use tax compliance. Wolters Kluwer understands those challenges and has the expertise and solutions to help you stay in compliance, affordably. Specific industry coverage includes:

- General Sales and Use Tax
- Communication
- Construction
- Energy
- Food and Restaurant
- Manufacturing
- Retail and General Merchandise

Connect with ERP and eCommerce Platforms

CCH SureTax Integrations connects the CCH SureTax platform to your existing tools. Transmit tax results to common ERP modules such as accounts receivable, accounts payable projects, quote-to-sale-to-cash systems, and general ledger, to enable your finance system to seamlessly apply the tax rates and rules data.
