Always-on error and fraud detection flags unusual supplier activity

Payment Review

Visibility & control for executive review to make payments with confidence

Brandi Coats CFO, Riley Sales

Traild has completely streamlined my accounts payable and payments processes! It's **faster & more automated** than I could have ever imagined. I've reduced Accounts Payable from **1 full FTE to 10% of an FTE**.

85%

Less time spent on manual AP process

\$145K

Average amount stolen from businesses (2024)
